PARTNERSHIP FOR SAFETY & JUSTICE

Transition Support Directory

We hope that these resources will help you prepare for your return to your community so that you may thrive in the next phase of your life. We are aware of and are saddened by the limited transition resources available for some needs and in some areas of the state. If a particular organization doesn't offer what you're seeking, we encourage you to ask them for referrals to other groups that may not be listed here.

Partnership for Safety and Justice's mission is to transform society's response to crime through innovative solutions that ensure accountability, equity, and healing. To help us achieve this mission, contact us at (503) 335-8449 or info@safetyandjustice.org.
