

Justice Reinvestment in Columbia County

Since 2013, Oregon has consistently supported public safety policies that flatline corrections growth, invest in communities, expand survivor services, and are in line with our values:

- Keep families together
- Invest in survivors' healing
- Expand local and community based services
- Promote equity
- Safely reduce prison use

For 2019-21, Columbia County received grants of **\$626,379** and **\$626,216** to ensure accountability and public safety, reduce recidivism, and decrease prison use through:*

-  **TREATMENT** programs that can include addiction, mental health, and cognitive behavior treatment, including treatment in jail.
-  **10% FOR VICTIM SERVICES** for crime survivors, including domestic and sexual violence and for children who have been abused or neglected.
-  **FAMILY SUPPORT AND SKILL BUILDING**, which can include employment assistance, education, parenting classes, and mentoring.
-  **PRETRIAL** assessments to help determine whether someone can safely be in the community as they await trial.

* Programs reflect the 2017-2019 biennium.

BY THE END OF THE 2021-23 BIENNIUM, JUSTICE REINVESTMENT IS PROJECTED TO **SAVE OREGON OVER \$527 MILLION.**
