

# Justice Reinvestment in Linn County

Since 2013, Oregon has consistently supported public safety policies that flatline corrections growth, invest in communities, expand survivor services, and are in line with our values:

- Keep families together
- Invest in survivors' healing
- Expand local and community based services
- Promote equity
- Safely reduce prison use

For Oregon's 2019-21 biennium, all 36 counties were invited to apply for funding to support programs that reduce recidivism and decrease prison use while ensuring accountability and public safety.

Most counties are on track to succeed in achieving these goals. Those that were not received provisional, one-year grants.

**For 2019-2020, Linn County received a provisional grant of \$857,256 for:\***

-  **ACCOUNTABILITY** such as supervision and local sanctions, risk assessments, and evidence-based tools used to develop appropriate plans for public safety.
-  **TREATMENT** programs that can include addiction, mental health, and cognitive behavior treatment, including treatment in jail.
-  **10% FOR VICTIM SERVICES** for crime survivors, including domestic and sexual violence and for children who have been abused or neglected.
-  **FAMILY SUPPORT AND SKILL BUILDING**, which can include employment assistance, education, parenting classes, and mentoring.

\* Programs reflect the 2017-2019 biennium.
