

Justice Reinvestment in Wheeler County

Since 2013, Oregon has consistently supported public safety policies that flatline corrections growth, invest in communities, expand survivor services, and are in line with our values:

- Keep families together
- Invest in survivors' healing
- Expand local and community based services
- Promote equity
- Safely reduce prison use

For 2019-21, Wheeler County received a grant of \$97,000 to ensure accountability and public safety, reduce recidivism, and decrease prison use through:*

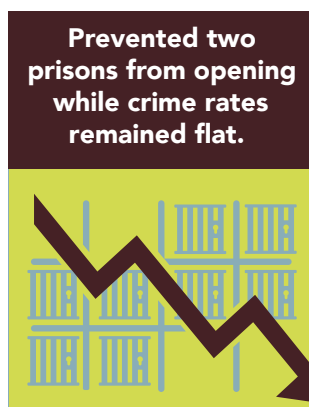

ACCOUNTABILITY such as supervision and local sanctions, risk assessments, and evidence-based tools used to develop appropriate plans for public safety.

20% FOR VICTIM SERVICES for crime survivors, including domestic and sexual violence and for children who have been abused or neglected.

* Programs and services reflect the 2017-2019 biennium.

BY THE END OF THE 2021-23 BIENNIUM, JUSTICE REINVESTMENT IS PROJECTED TO
SAVE OREGON OVER \$527 MILLION.
